Application for Exhibit Space

Display space is available to registered exhibitors at the World Congress of NGOs. Each exhibit space will be equipped with a choice of either **one six-foot by six-foot (2 meter by 2 meter) booth** or **one six-foot by twelve-foot (2 meter by 4 meter) booth**. Each booth is equipped with a three-foot long table and one chair (two chairs for the larger booth). The exhibit booth includes a 26 character Exhibitor Name Board located at the top of the booth. (Please see design sketch on www.wango.org/congress). Exhibitors must set up their own displays. Installation of exhibits may begin at 2:00pm on Thursday, December 10 and end at 1:00pm on Sunday, December 13. Exhibitors are responsible for their own security. Exhibitions are to be in keeping with the principles and goals of the convening organization, WANGO, and no exhibitor shall sublet, assign, or share any part of the space allocated to him/her without the written consent of the secretariat office of the World Congress. The exhibitor must surrender space occupied by him/her in the same condition as when occupied. The exhibitor, in signing this application, assumes entire responsibility and hereby agrees to hold the convening organization and its employees and agents harmless against any losses, claims, or damages. If exhibitors desire to attend the World Congress of NGOs, they must register using the separate registration form.

Due to limited space, individuals/organizations wishing exhibit space are advised to complete this application form as soon as possible.
